

There's been a revolution in performance windows.

Wood windows are sustainable and good looking. But what about performance? Thermal efficiency? Maintenance? Life expectancy?

Backed by service life and Life Cycle Assessment data in BRE's new 'Green Guide', windows bearing our quality mark meet or exceed thermal efficiency requirements and are independently audited for weather performance and other standards.

They also come with low maintenance, a long life and certified timber guaranteed. So you can be confident they'll perform. Quite a revolution.
